The image shows a Windows application window titled "Form". Inside the window, there is a large text area at the top containing the text "Hello world". Below the text area, there is a horizontal bar with four controls: a button labeled "Font", a button labeled "Text color", a button labeled "Back color", and a dropdown menu. Below these controls, there are two panels. The left panel is titled "Shift turini tanlang" and contains four checkboxes: "Qalin", "Kursiv", "Ustiga chizilgan", and "Chizilgan". The right panel is titled "Ixtiyoriy rangni tanlang" and contains five radio buttons: "Qizil", "Maviy", "Yashil", "Sariq", and "Qora". At the bottom right of the window, there is a button labeled "Keyingisi".
